#### **Community Recovery Fund Provides Urgently Needed Support**

Sonora Area Foundation (SAF) established the Community Recovery Fund (CRF) to assist our community's response to and recovery from the COVID-19 pandemic. Thanks to tremendous community generosity, to date SAF has granted more than \$135K from CRF to local nonprofits.

The past few months have been a time of hardship for many Tuolumne County nonprofits: Demand for their services has surged while their fundraisers have been postponed or canceled due to stay-at-home and social-distancing mandates. Grants from CRF have helped bridge the gap.

Grantees so far have included ATCAA Food Bank, Interfaith, Resiliency Village Project, Infant/Child Enrichment Services, Give Someone a Chance, TeenWorks, Columbia College Foundation and Groveland Community Services District.

SAF continues to follow pandemic-related community developments and stands at the ready to support our local nonprofits and public agencies.

Many thanks to all who have contributed to the fund. To view a CRF donor list, visit our <u>online donor</u> <u>wall</u>. To donate to CRF or to one of our hundreds of other funds, visit our <u>donation page</u>.

## SAF Offers \$50K Meals on Wheels Matching Grant

Sonora Area Foundation (SAF) is offering a \$50,000 matching grant in support of Meals on Wheels' (MOW) upcoming Radiothon fundraiser, to be hosted by Clarke Broadcasting Corporation.

The Radiothon, MOW's 14<sup>th</sup> annual fundraiser, is scheduled for Friday, August 21, 2020 from 9:00 a.m. to 11:00 a.m. on KZSQ STAR 92.7 FM. Due to pandemic-related concerns, the Radiothon will be held in lieu of MOW's very successful annual dinner and auction event. The two-hour broadcast will be hosted by Mark and Maryann and will feature interviews with members of the MOW team, major MOW sponsors and more.

Sierra Senior Providers, Inc. (SSPI), a nonprofit 501(c)(3) organization established in 1996, has operated the Meals on Wheels program since opening its doors. MOW provides five home-delivered meals weekly to qualified Tuolumne County residents age 60 or older who are unable to drive, shop or cook safely and consistently. Over the past 13 years, 715,630 meals have been delivered to almost 2,700 homebound seniors, according to SSPI CEO Kristi Conforti.

SAF is pleased to offer this matching grant to encourage community support of this outstanding and vital program. To donate, mail checks made payable to Sonora Area Foundation with "SSP/MOW" in the memo line to Sonora Area Foundation, 362 S. Stewart St., Sonora, CA 95370.
